

VOTE TO KEEP MUSKOKA, MUSKOKA

**Yes, you can vote – and yes,
you can help protect
this beautiful place.**

On October 24th, stand up for Muskoka and vote for candidates who are committed to responsible development.

For thousands of years, Muskoka has been a cherished place to visit and live - and we need to keep it that way. It's better for us, for nature and for the local economy.

Vote to:

- End excessive blasting and tree clearing, like Sugarloaf Island
- Stop residential subdivisions masquerading as resorts
- Ensure responsible short-term rentals
- Protect nature and our lakes
- Ensure more effective by-law enforcement
- Ensure more effective use of your tax dollars
- Prevent council conflicts of interest
- Support the local economy and community
- Preserve the long-term value of your Muskoka investment

Yes, you can vote!

All property owners and tenants - and their spouses or partners - may vote in municipal elections at both their permanent homes and their cottages. Make sure you are on the voters list. Visit vote4muskoka.ca

Voting is easier than ever

You can vote online or by phone. You will receive a Voter Information Letter from the municipality in September with voting instructions. You don't even have to leave home to have a voice. Please vote to keep Muskoka, Muskoka. The birds, the trees, and the lake are depending on us. Every vote counts.
